Anyway...
Let's go home, shall we?
You're really losing it.
I hope you still remember...

If you don't... I'll eat you up.

No kidding.

where you lie on the food chain.

Just leave your little brother to me.

I shall take him to his limit.

...

...

...

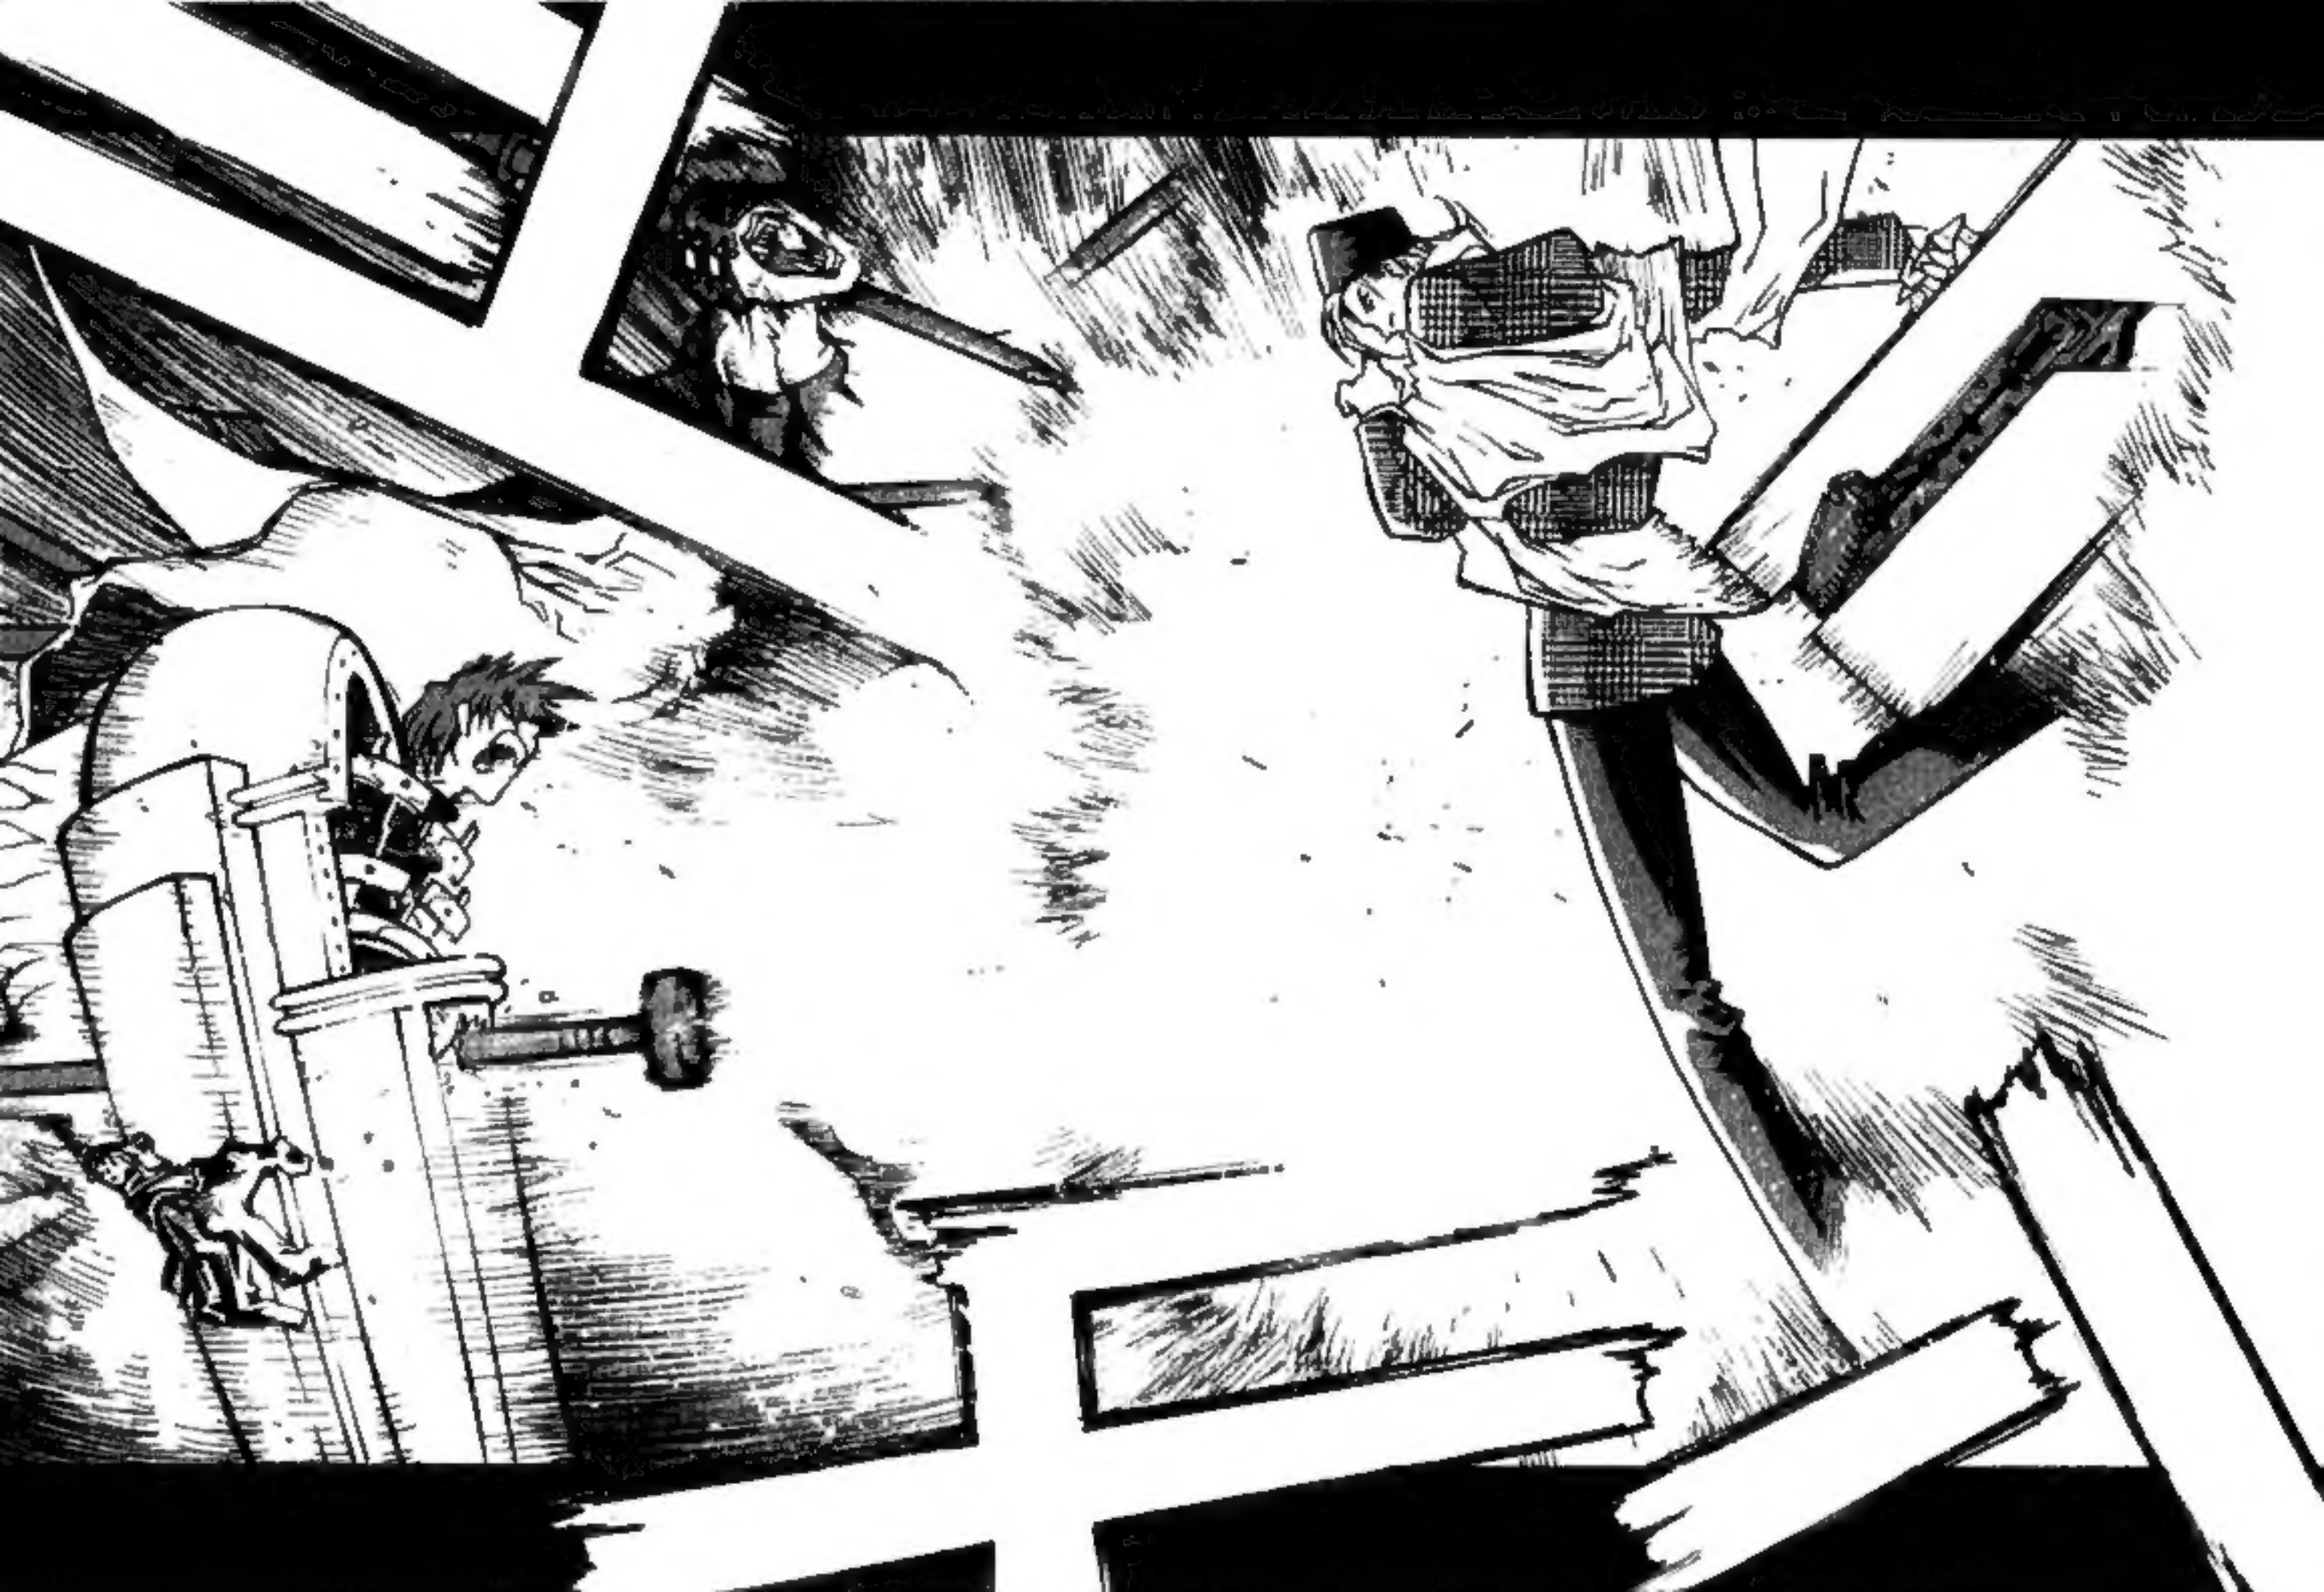
Even though he's incredibly stubborn...

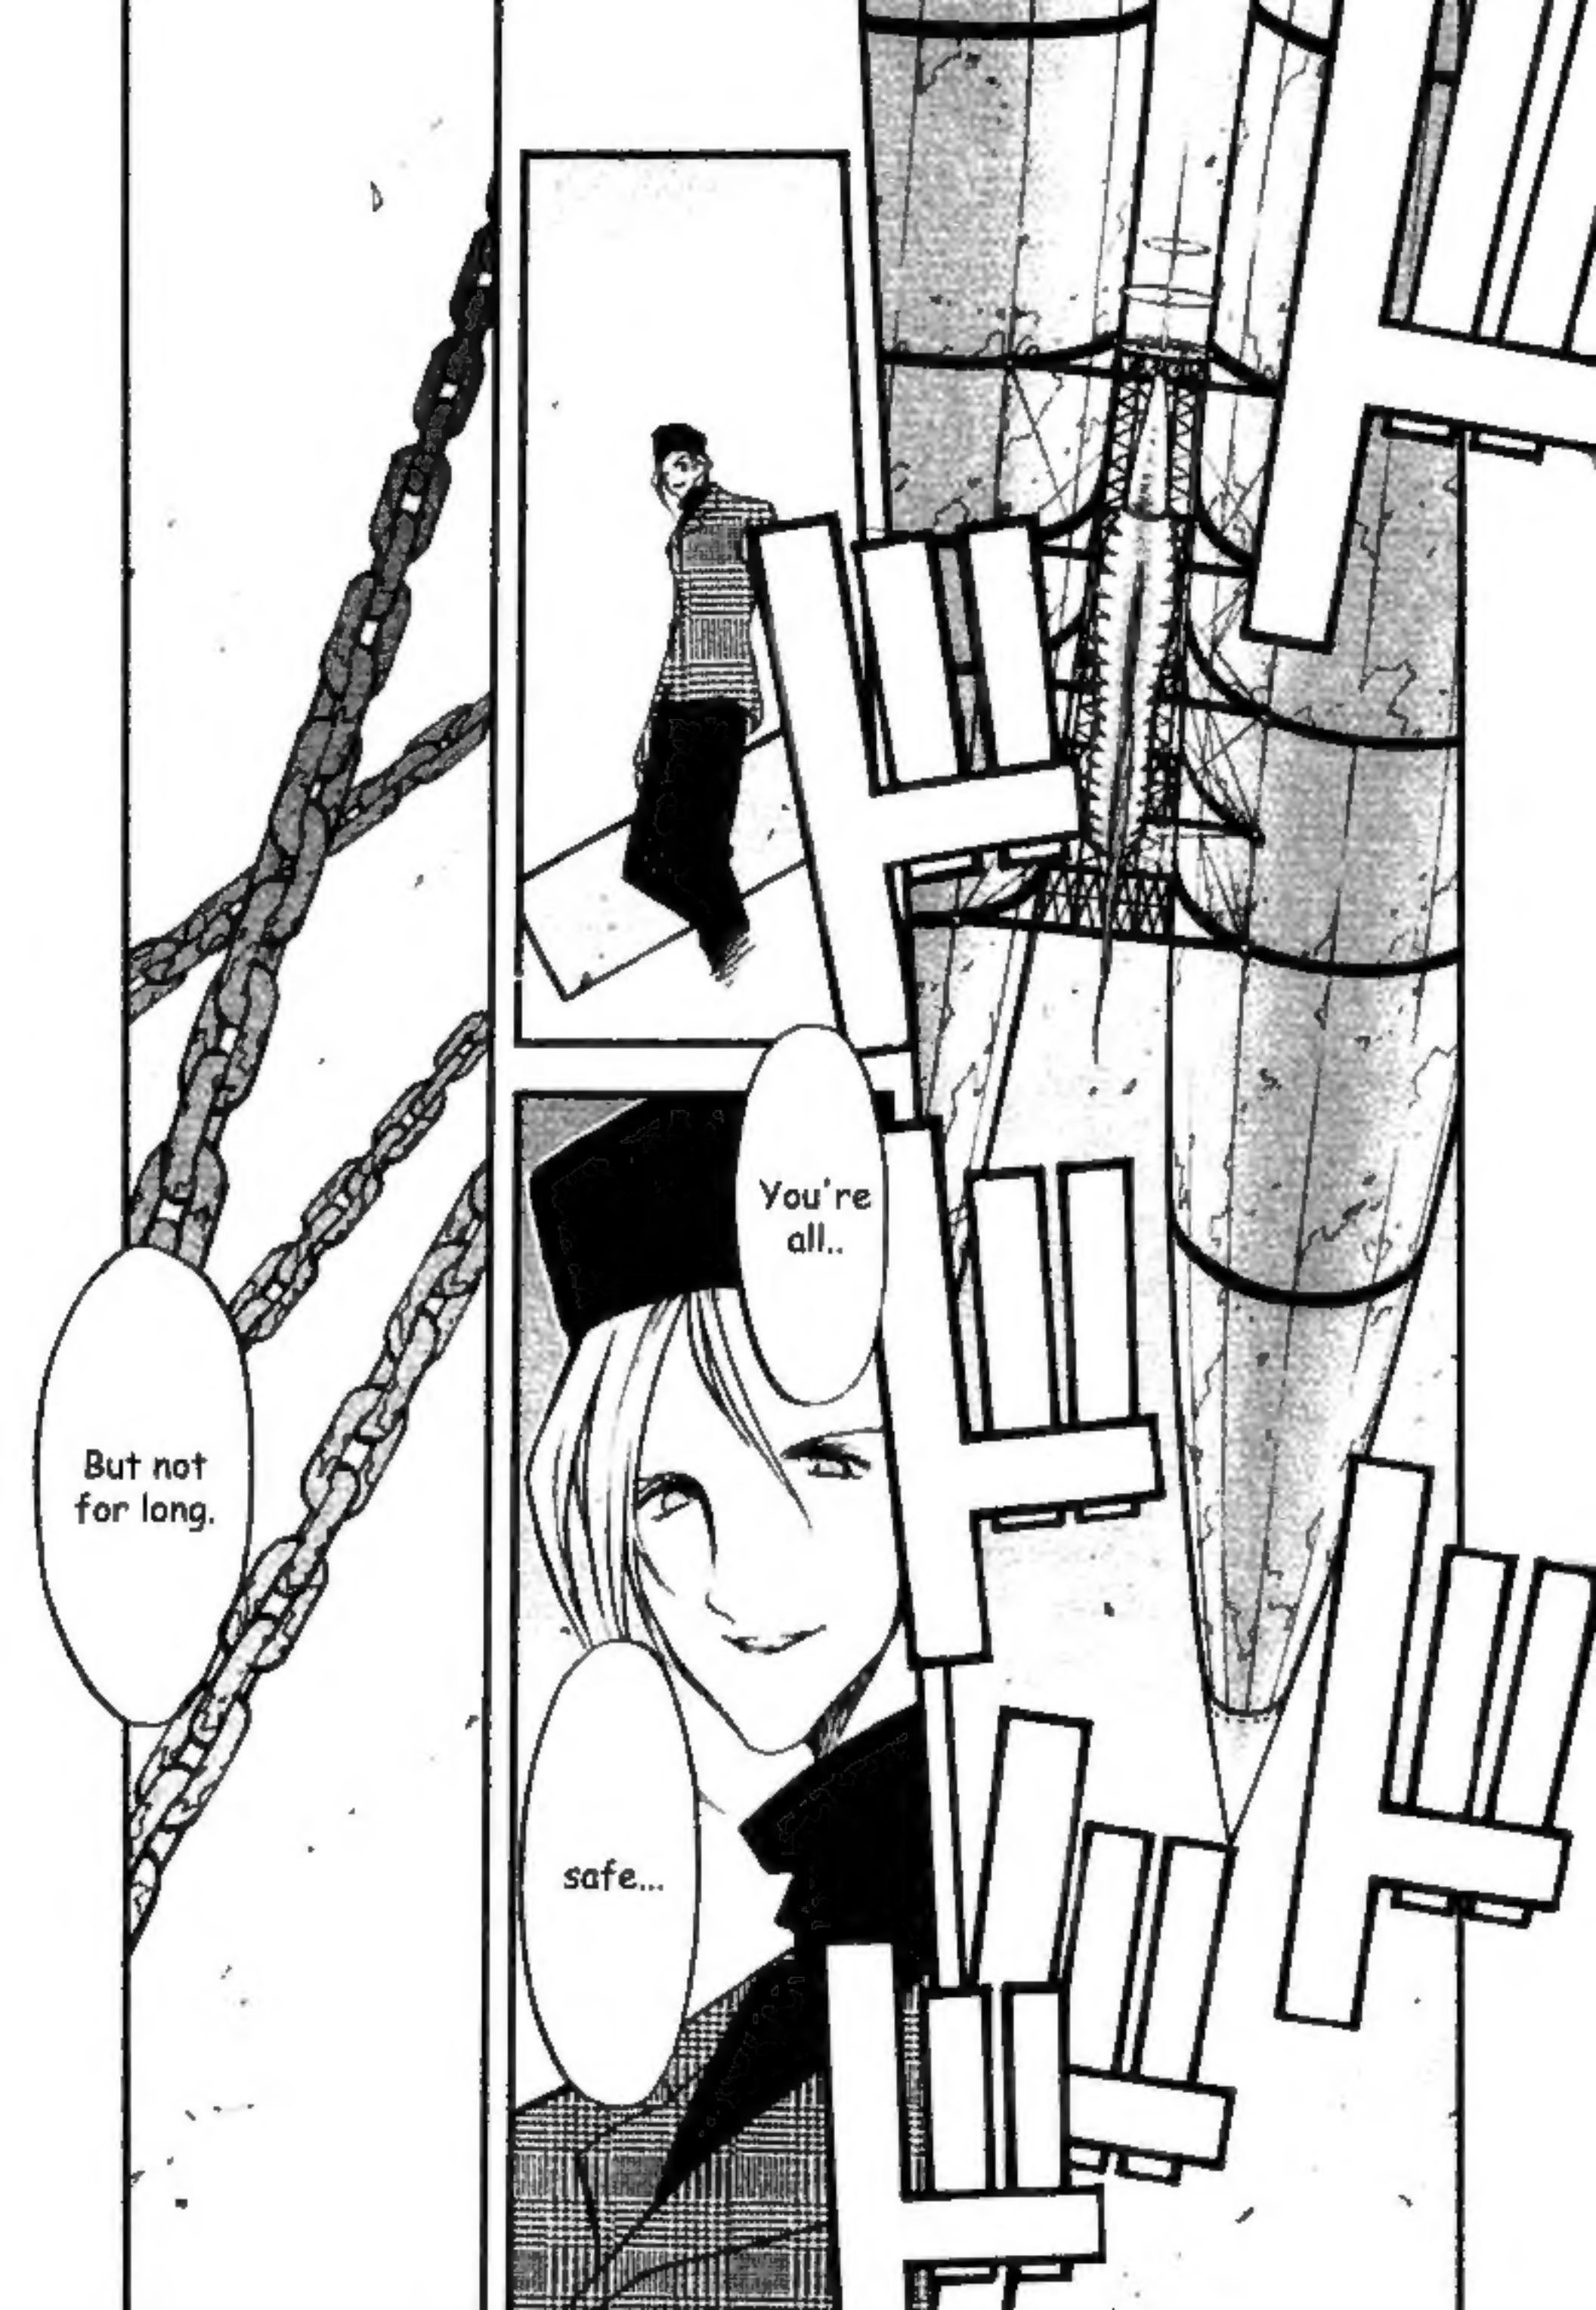
I... think that will change once he has no one left to protect.

That's alright.

That has never been my intent.

It's been a while, but I finally solved the puzzle.
I still need Bluesummers.
Bring him back.
Seriously, though...
How could this "failure" be of any use?
?!





But not for long.
You're all..
safe...

Maybe you'd been happier dying without any knowledge of what's going on.

Will all be destroyed by Master Knives

Those "rescue ships" come from Earth...

Years from now, though...

Humanity's last hope.
He'll raze every one of them as you watch in horror.

GULP.

Vash's twin brother.
I believe now...
He can really do it.

You'll just die with the rest of us.

Bastard!

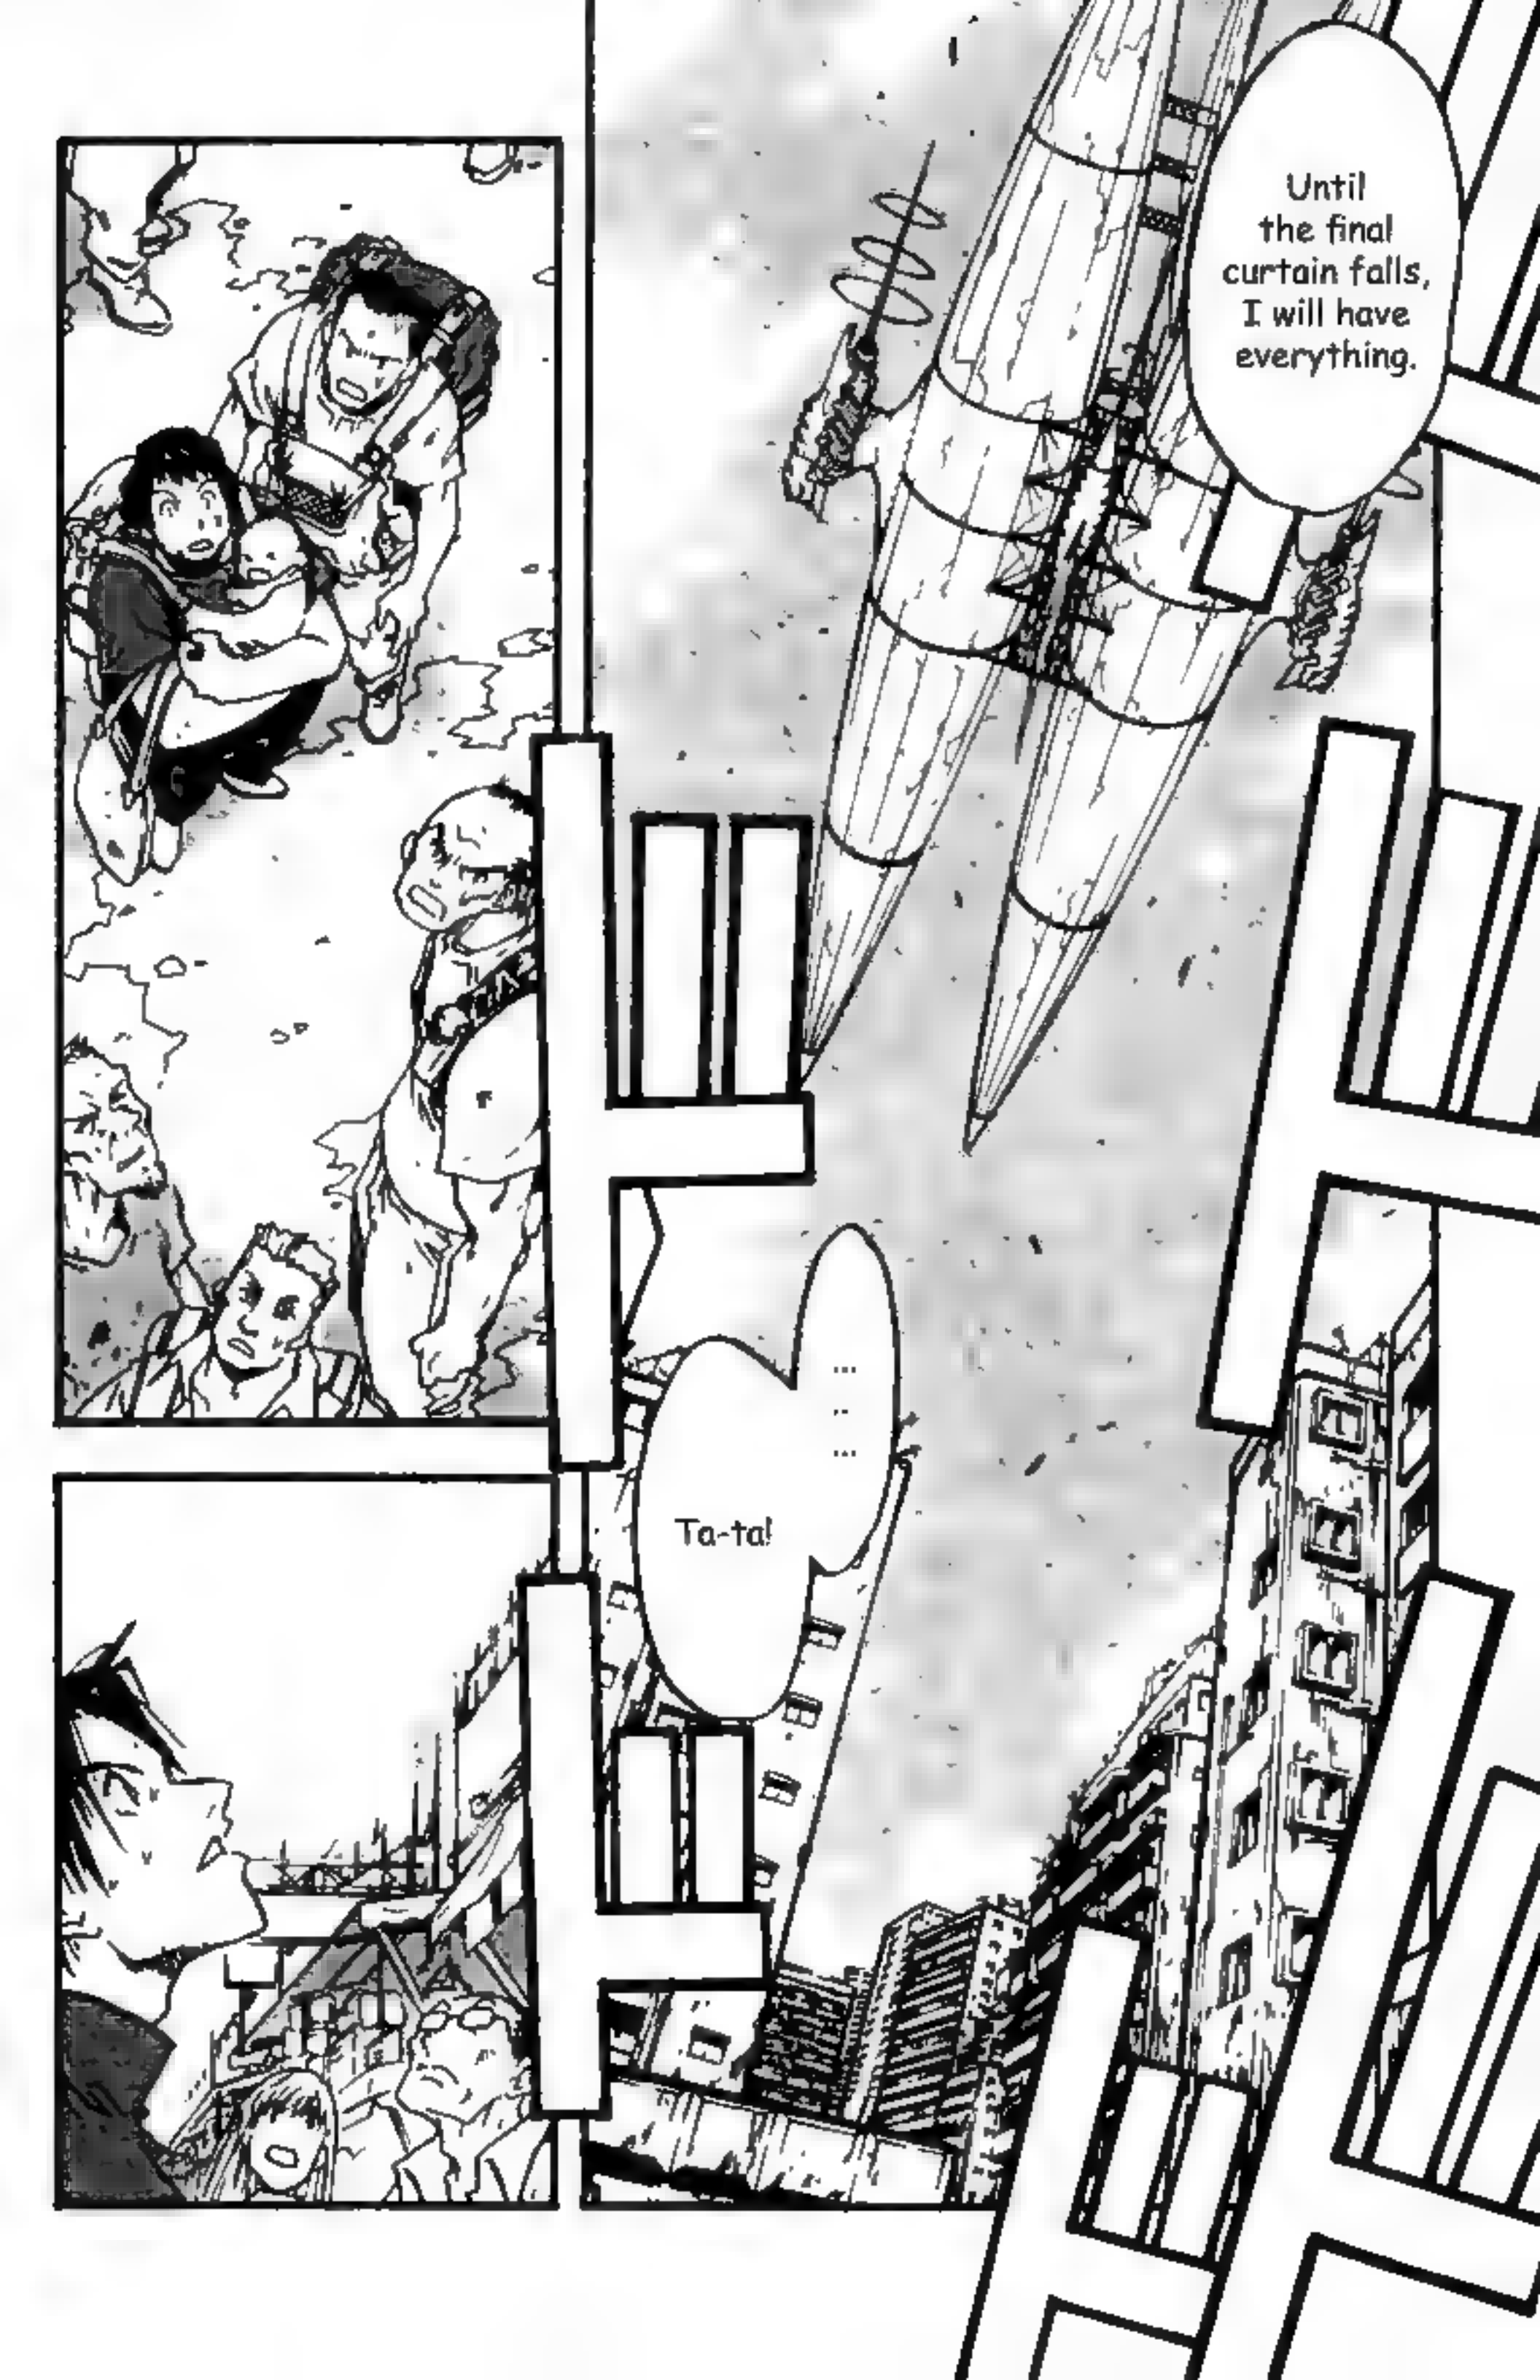
Are you a dumb-ass?

What are you smiling for?

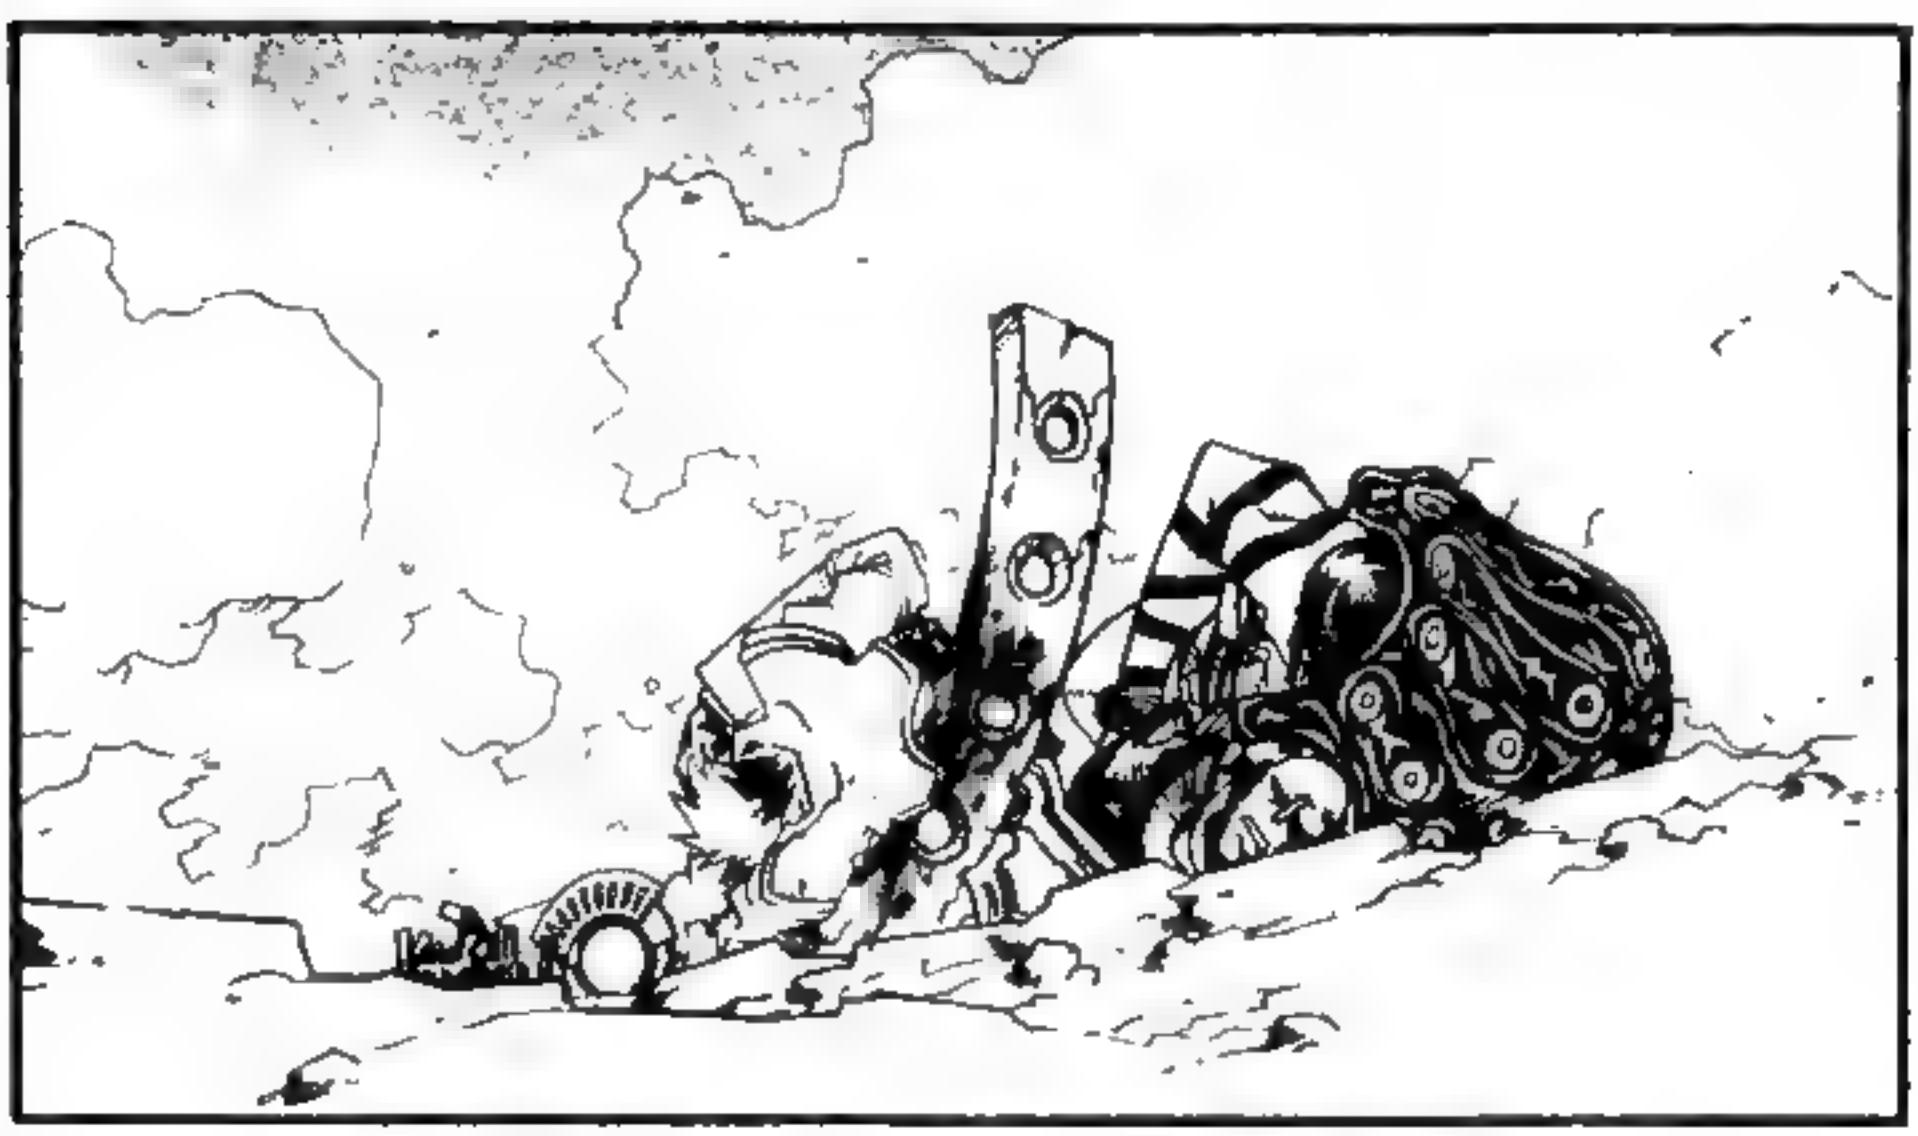
This is true..

but..

Everyone has their own idea of what the end of their life should be like.



Until the final curtain falls, I will have everything.
Ta-ta!

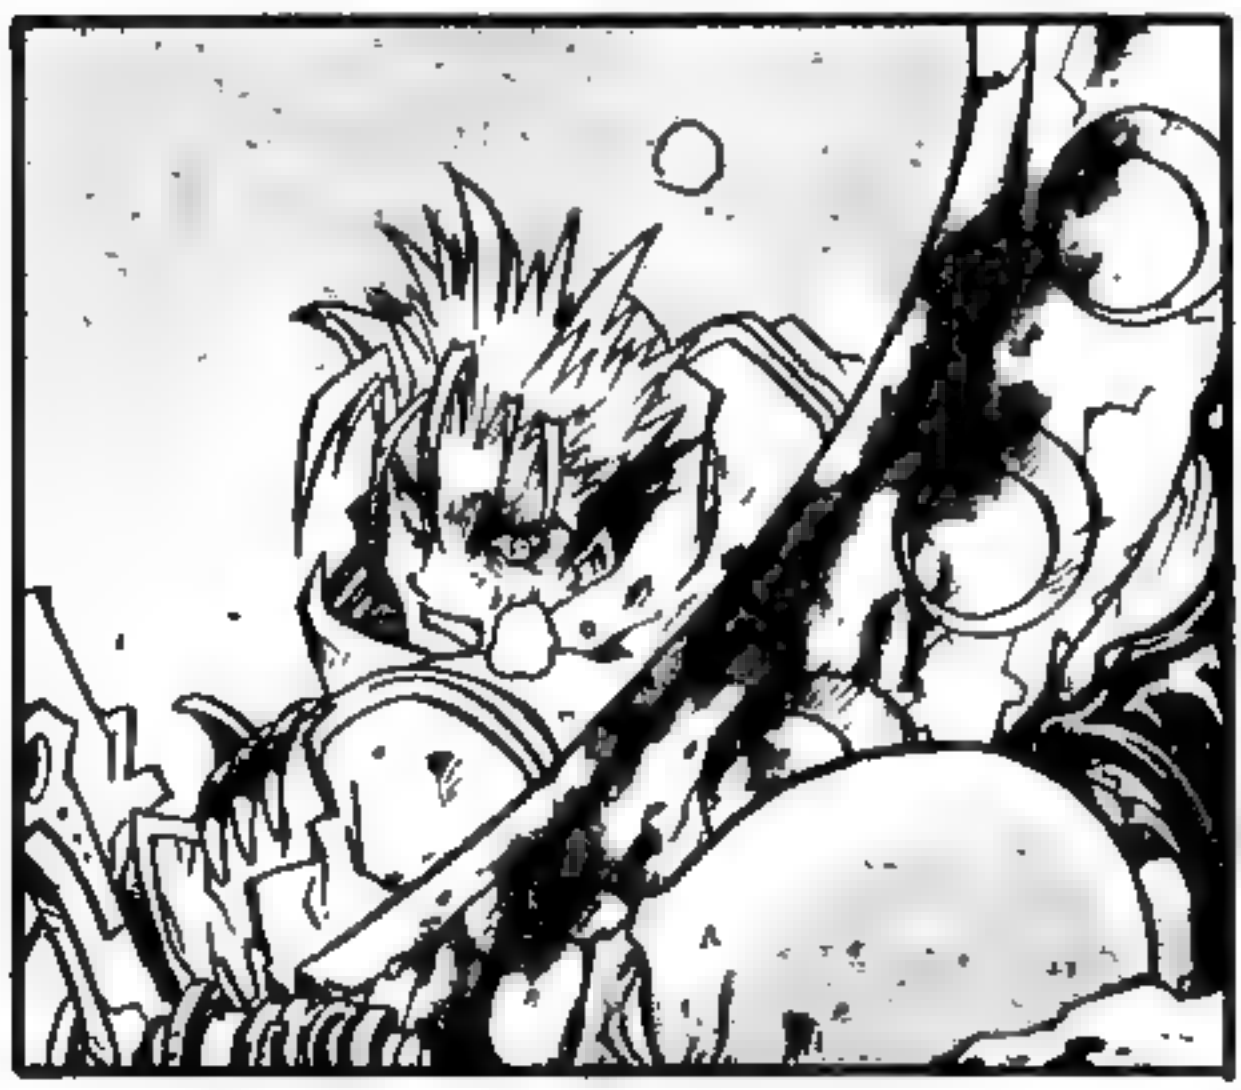


Lady-killer...
You dead?
...
...

...the hell you doin'?
Don't you know how to handle a dying bad guy?

Pfft.
rustle

Sorry, but...
this is it for me.



At long last...
At least I will finally have some peace.

Coughing up blood and suffering immense pain for the rest of your life

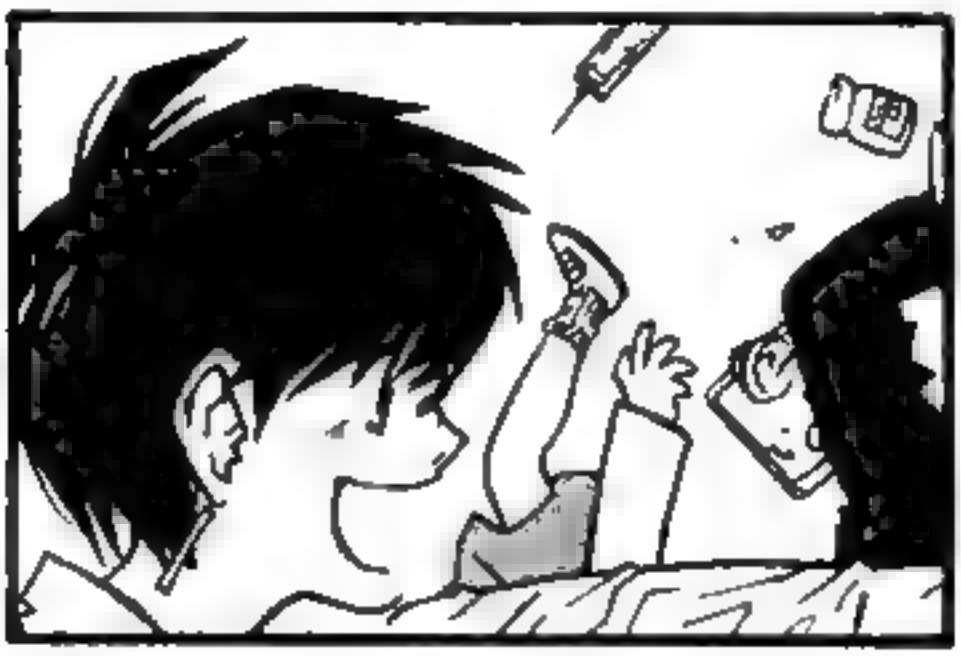
I don't want to kill you.

I'll force you to stay in this shitty world...

...
...
...
...yeah

Vash-san...
Your arm is...

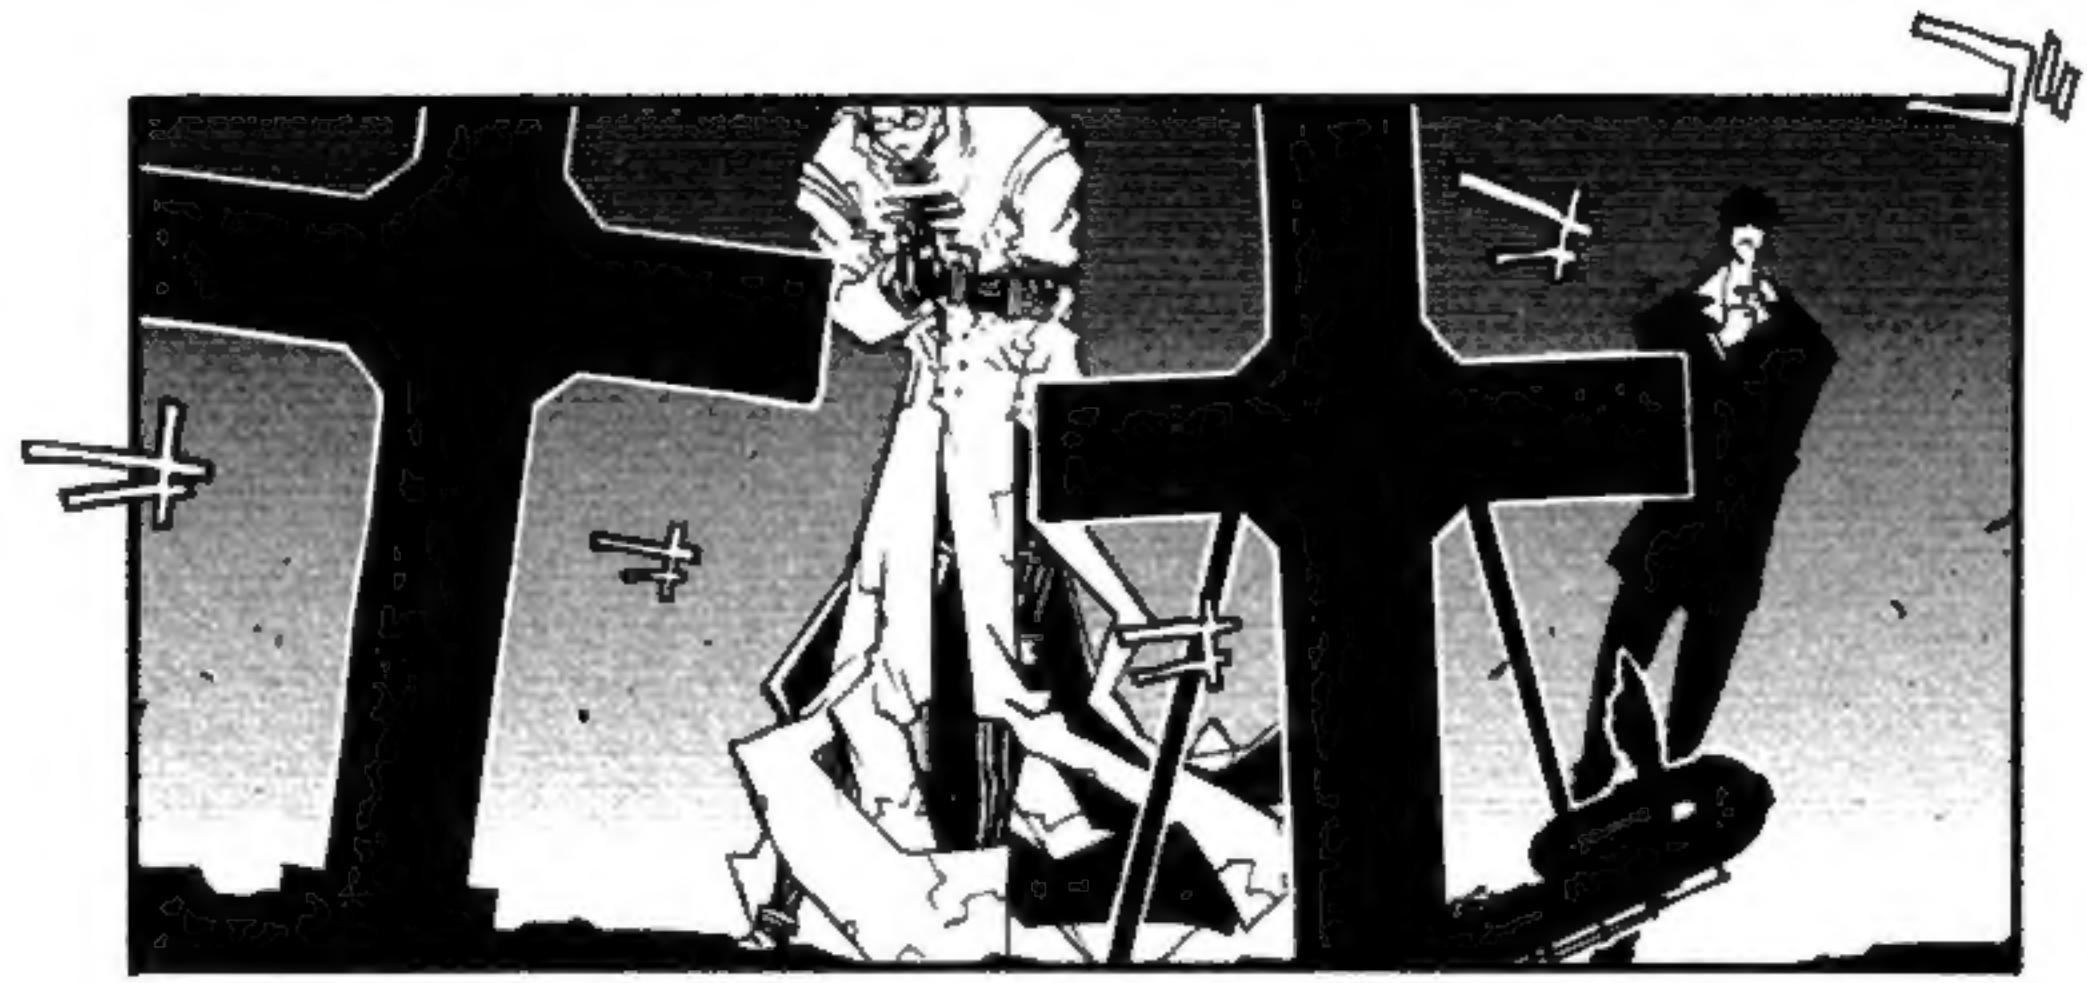
I'm alright, though.
Now... everything is okay.



We were quite worried. you were asleep for three whole days!
But you look great now!!

Sempai!!
Milly! Milly! Kyaaa!
Are you okay?

Man, that was a close one! I can't believe they were in that room.
A human doctor is best for fixing a human body, though...



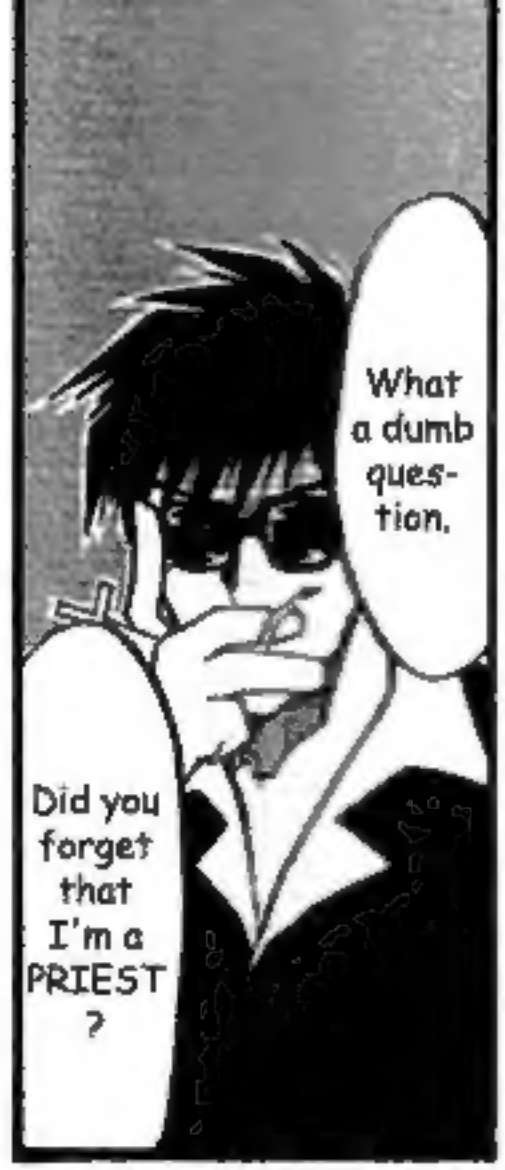
Am I really so wrong?
I can put more feeling into it this way.

Wrong religion, pal. These are crosses.
Bowing with the palms together ?

You honestly have no idea how to treat a villian.
You know, he had a point.

It'll never end, ya know.
Doing this for every single one of them...

What are you laughing for?!?



What a dumb question.
Did you forget that I'm a PRIEST ?

If that is so...
Then why are you here?

.....

It was your own responsibility to use those fangs, you know...
I feel no pity for you.
